

ENHANCED CONTINUING PROFESSIONAL DEVELOPMENT PROGRAMME SEMINAR

Essentials of Company Law

Focus

The focus of the course is to introduce participants to the Companies Act and its practical application for Company Secretaries. It is also essential for individuals who are going to be directors and who will be involved in the day-to-day running of a company.

It is primarily targeted at Company Secretaries, Senior Managers and Managers who will be involved in decision making and running of their respective companies.

Objective

This course will equip you with practical, working knowledge of the company law principles that are required to enable you to manage a company. Upon completion of the training, participants will be able to explain the differences between different types of business vehicles and when each type is used, and the duties and legal responsibilities of directors. This course also discusses the manner in which companies are governed, the rights of shareholders, how companies raise capital, as well as the various ways companies can be closed.
